

**CITY OF LA PALMA
MEMBER OF THE CITY COUNCIL**

MARK WALDMAN

AGE: 43

OCCUPATION: Financial Analyst

I am asking for your vote on November 2nd. The following are my goals:

Improve our excellent quality of life;

Increase our financial stability;

Maintain our superior police and fire services;

Better inform and involve our residents in public affairs.

It is crucial that we have someone with a trained and experienced eye overseeing how our precious tax dollars are spent. As Chief Financial Analyst in the New York State Comptroller's Office, I monitored, analyzed, and assessed New York City's budget for 14 years. In addition, I led teams that conducted detailed investigations of city programs.

My wife, baby daughter and in-laws all reside in La Palma, and I feel very proud and protective of La Palma's outstanding quality of life. I regularly attend City Council meetings and have been volunteering in La Palma for years. I currently am President-Elect of La Palma Kiwanis, a member of the La Palma Community Activities and Beautification Committee and a member of the La Palma Chamber of Commerce.

My career experience and commitment to the community are what is needed to ensure that we La Palmans continue to enjoy an outstanding quality of life and that we get the most for our tax dollars. I need your support to accomplish these goals.
